A Roadmap to the News of the University Club of Rockford, Illinois

## President's Letter

by Pete Rundquist

It has been just over a month since our annual meeting in January, and that means the pool opens in less than three months (Norm D.).

Winter will soon be behind us as we look forward to spring and summer at the University Club. Soon, some members will return from warmer climates. This will make the club busier than it's been the past few months. Welcome back, snowbirds!

With better weather on the way, it's time to think of summer fun. How about a golf league? We want to revive our golf league. We're looking at Tuesdays or Thursdays – tee off between 4 and 5 p.m. at the historic Sinnissippi Golf Course, play nine holes, and come back to the club for dinner. Stay tuned for more details.

The board of directors invites members to serve on a committee; finance, membership, social and food and beverage committees are all looking for more people. Please contact Kurt or Kelly so you can be involved. We want and need your ideas to make our club the best in town.

The building and grounds committee is putting together a plan to redo the squash court and hope to have it finished by July. This will be a multi-purpose area that can offer more opportunities for members to use the club.

Be sure to check your email and Syllabus for many upcoming events. Remember, that if you eat one more meal this month (and every month), our U Club will be more successful and more fun.

See you at the Club!

## Getting to Know . . . Shauna Gustafson, New Board Member

The newest member of the University Club board of directors is **Shauna Gustafson**, known to most as the person who started the popular U Club Book Club. (FYI, they're discussing *The Night Circus* by Erin Morgenstern on March 10 and newcomers are welcome.)

to meetings at the club. "I was impressed with comfortable I was, and being on the deck was so enjoyable. I think we have a lot to offer and I would like to see us gain more younger members," she said. Shauna joined the club in 2017.

# Getting to Know . . . Shauna Gustafson, New Board Member, continued

Yes, Shauna belongs to another book club, and she thought a book club would work well for the U Club. “We have between eight to twelve people each month and we really have a great time. We encourage people to try us out. In April our book is *I’ll Push You*

by Patrick Gray and Justin Skeesuck. Just check us out, 7 p.m., the night the club has Taste of Tuesday,” she suggested.

Shauna is a “Rockfordian” and graduated from Jefferson High School. She did her undergraduate studies at

Eastern Illinois and law school at DePaul. She’s one of 30 public defenders for the Winnebago County Public Defender.

In her spare time, Shauna loves to cook and travel, and of course, read. Thank you for your service, Shauna.

## GM Notes

As March arrives, I want to remind the membership that now is the time to start planning your summer business and personal events at the U Club, like company retreats or high school graduations. We have some Saturday and Sunday evenings available, but they will not last long. Contact us now to book your spring and summer events.

Last month I challenged the membership to support the club in two ways. First, use the club as often as possible for lunch and dinner; second, grow membership by recruiting your friends and colleagues to join the premier dining and social club in Rockford. The membership said “challenge accepted.” In February we had close to a \$6000 increase in member usage for

lunch and dinner service compared to last year. In addition, we added three new members in January and February, which are historically zero membership growth months for us. Thank you! Let’s keep the positive momentum into March and April.

**Brunch Cancellation Fee** We are two months from our first Sunday brunch since the remodel to the first floor. We lost some seating capacity on the main level with the remodeling. We may need to use the second floor for the Easter and Mother’s Day brunches. We will try to seat everyone on the main level, but we will need your help. Main level and card room seating will be on a first-come basis with the earliest reservations given priority. Additionally, there is a 48-hour cancellation fee policy for reservations

for these two brunches. This will allow us to accommodate every member on the main level. The cancellation fee will be 50% of the listed cost, so please keep us updated on any changes to or cancellations of your reservations.

In closing, please remember that this is your club, so please let the board of directors and management team know of any programs, events, dining or drink options you would like to see at the club. We especially want to hear from members who visit other clubs in the winter and see firsthand what works at other clubs. Until next month, let’s have warm thoughts and soon enough we’ll be enjoying the deck on warm summer evenings, watching the river flow.

See you at the club,  
Kurt W. Schiffer, General Manager
