President's Letter

by Pete Rundquist

We are disappointed that Governor J.B. Pritzker has extended Illinois' stay-at-home order until May 30, but it is for our own health and safety.

This letter is written without knowing what the new directives will be beyond May.

I want to extend a hearty THANK YOU to the U Club staff for working so hard to keep us engaged while

holding down costs. They have been very creative with ideas to keep us fed and in a positive mindset. Easter was successful; we had the Easter Bunny help with the pickup of Easter meals and baskets.

We have an empty "social calendar." We hope to get to a new "normal" in June that will involve a new standard operating procedure. Your board of directors now meets every two weeks to review the situation and look at the best ways to generate revenue and cut costs. I thank the board for their leadership and commitment.

The U Club plans to continue the carryout meals and wine sales. They have been very well received. Watch for eblasts about Cinco De Mayo and Mother's Day as our staff has some very good ideas for those events. When you talk to or see one of our dedicated staff/management team, please thank them for all they are doing. I am really proud of them.

We will keep you informed about our beautiful club opening back up.

Hope to see you soon!

Condolences

The University Club of Rockford extends its deepest sympathies to the family and friends of **Robert J. Oliver**.

Club Notes

Welcome to the new normal. The club will remain closed for lunch and dinner service through May 30, per Governor J.B. Pritzker.

We will not have our usual and fabulous Mother's Day brunch or Cinco de Mayo buffet. However, not to worry, we will still offer food and beverage options so you can still enjoy these special days.

Also, we will not open the pool on Memorial Day weekend. Let's hope we only lose one week of the pool season. Finally, we will not start our summer music series on May 29, but hope to present the rest of the series.

The main way we have communicated with members is by eblasts. It's the best way to reach you with our many and changing weekly specials. For members

who don't receive the eblasts, please call the club to learn about the weekly specials. Please avoid calling during the dinner hour as we are often taking carryout orders to members' cars as they pull up.

Look for our weekly eblasts to see dinner selections along with other special events that we will offer.

We hope that May will be the last month that we operate in this manner. We are exploring some fun events for May to help keep the membership engaged. Some possibilities to bring the U Club

into your living room are virtual cooking classes with Chef O and Sous Chef Hillery, virtual happy hours, virtual wine tastings and virtual bingo.

Thank you for supporting the club during these interesting times. We really appreciate it. Let's hope this will all be behind us come June 1. We very much look forward to seeing you back at the U Club, enjoying the deck and the wonderful environment that is our U Club.

Be safe. Kurt
